

Call for Papers Application

for

NATSAP's 2021 Annual Conference

Audience

The NATSAP Annual Conference is specifically designed for mental health and allied health (and education) professionals of all experience levels. Attendees include program owners, directors, administrators, therapists, educators, and other personnel, plus educational consultants, social workers, psychiatrists, psychologists, and guidance counselors, among others. It is NATSAP's national meeting of youth advocates from around the country and even abroad.

Conference Theme

The theme for the 2021 Annual Conference is: "Charting the Course"

Date and Venue

January 27-29, 2021
Orlando, FL

Submission of Papers

Prospective presenters are invited to submit complete, original papers using the template available below. If you are submitting multiple topics, complete a form for each topic. All sections must be submitted in their entirety or the review for your submission may be delayed or disqualified. All information given in the NATSAP Call for Papers process will be held confidential, and not released to anyone outside of NATSAP.

Deadlines

Submission of full paper proposals due by **Wednesday, August 14th, 2020**
Notification of paper acceptance or rejection: **September 2020**

Deadline for receipt of proposals is Friday, August 14th, 2020

Proposal acceptance or denial will be communicated by end of September 2020

Please submit your completed application to: events@natsap.org

TOPIC TRACKS

The NATSAP Annual Conference Committee requests that submissions fall into specific interest areas within one of four tracks.

Within the above interest areas, please specify the track of your presentation (*please check only one*):

Academic

These presentations will be directed toward educators responsible for the academic environment at your program.

Business/Administrative

These presentations will be directed toward chief executive officers, executive directors, program managers, and others who are involved in the leadership of a program. Presentations will address the needs of running a successful program/school, and will cover topics such as Finance, Risk/Safety (CQI), Marketing, Operations, Human Resources, and Organizational & Leadership Development.

Clinical/Ethics

These presentations will be geared to primary therapists, recreation therapists, and others who are involved in addressing clinical concerns.

~~Other~~

These presentations will address

☉ Transition

These presentations will address the needs for successful transitions home and/or to other programs or schools and will be directed toward clinical directors, therapists, and others who are involved in ensuring a successful transition from their program
