

NATSAP 2021 SOUTHWEST REGIONAL CONFERENCE

DUTY OF CARE

NATSAP considers the safety of all those onsite at the Southwest Regional Conference as our top priority. We are committed to making this first in-person event a safe and healthy one for all who attend. This document will continue to be updated as we receive new information and guidelines that will further enhance the onsite experience of our attendees, sponsors, exhibitors, and staff.

Registration: Packets will be created with all materials to minimize lines and time at the registration desk. Onsite registration will not be allowed for this conference. Everyone must pre-register and the attendance will be capped at 150 attendees.

Masks: Mask wearing will be required.

Meals: All meals will be individually packaged and will be set up outside if weather permits. No buffet-style meals or unwrapped food will be served.

Hand Sanitizer: Hand sanitizer stations are available throughout the venue.

In Partnership with the Dixie Center St. George, we will be implementing the following venue protocols:

- As required and requested, room set-ups incorporate social distancing with 6' between attendees. Meetings with all attendees in proper face coverings may sit closer together.
- Aisle ways are increased throughout the event.
- Entry door signs indicating precautions in accordance with our local health department.
- Acrylic "sneeze guards" at the Registration Desk.
- Hand sanitizer stations placed throughout the public areas.
- Additional masks are available for those who need them.
- Stanchions as reminders to maintain social distances.
- Public-facing employees will wear masks. Per State of Utah Department of Health mandates, masks are required indoors for all attendees.
- Seating for food service is 4 to a table instead of 8.
- Our caterers are well-versed in their responsibilities for their services and follow all state and local health department guidelines.
- Visible and consistent cleaning of all frequently touched surfaces.
- Room fogging and table wipe downs every evening.

Personal Accountability Commitment: By attending the NATSAP Southwest Regional Conference in St. George, UT, you agree to abide by and engage in certain health-beneficial and safety-beneficial conduct while attending this event. This includes but is not limited to: wearing a mask at all times in public areas, engaging in appropriate physical distancing, AND not attending the event if you are ill or have been recently exposed to COVID-19.
