

**Initial Application to become a  
NATSAP Research Designated Program**

Program/School Name		Date:
---------------------	--	-------

To become a Research Designated Program (RDP), the Research Committee will need to verify that your program/school is systematically collecting relevant outcome data for at least 6 months. In order to do this, please answer the following questions:

1.	How many students/clients have you enrolled in the past six-months?	
2.	Of those enrolled, on who many have you collected data with an outcome-oriented evaluation instrument? (YOQ or other, Research Committee approved standardized instrument. Please note: Percentage of Enrollment Data should be >70%.	
	If not, please explain:	

<p>If your program/school is not contributing data to the NATSAP Outcome Research Project (YOQ/OQ), please provide a brief description of your research efforts including, a) evaluation instruments used, b) duration of your research efforts, and c) indication of how your data is being disseminated or summarized (e.g. papers, research talks, website references, etc.).</p>
